Asst. Prof. Radheya Surve, Asst. Prof. Tejaswi Shetkar

No. of Participants:

Male: NA

Females: 39

Other: N/A

Description of Activity:

The **Department of Psychology**, in collaboration with the **Psychology Club of NLDC**, organized a seminar titled "**Careers in Psychology**" to offer students valuable insights into various career paths available in the field of psychology. The seminar featured **Ms. Lipika Koley**, an alumna of NL Dalmia College, currently pursuing her MA in Counselling Psychology at Wilson College, Mumbai, as the guest speaker.

The seminar Included:

- **Overview of Psychology Careers** – This session explored diverse career opportunities in psychology, such as academic, clinical, organizational, and research-based careers, with real-world examples and trends in psychology professions.
- **Higher Education in Psychology** – Ms. Koley provided detailed guidance on various master's programs in psychology, including specializations like clinical, counseling, industrial-organizational, forensic, and sports psychology. Information on entrance exams like CUET (Common University Entrance Test) and tips on applications and preparation were also shared.

- **Skills and Preparation for a Career in Psychology** – This session focused on the key skills required for different branches of psychology, and the importance of internships, workshops, and certifications for career enhancement.

The seminar ended with an interactive Q&A session where students had the opportunity to ask questions about career paths and further education in psychology.

Names of dignitaries attended activity: NIL

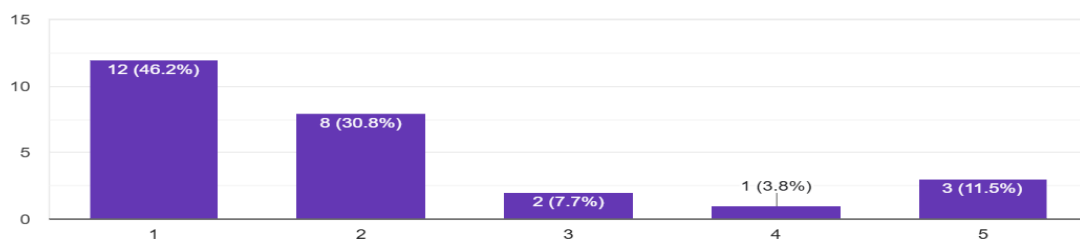

Expenses incurred for the Activity: NIL

Feedback Analysis:

The feedback received from participants was overwhelmingly positive, with many students appreciating the comprehensive information provided about career options and higher education. The session on entrance exams and application strategies was particularly well-received. Students found the insights shared by Ms. Lipika Koley extremely valuable, especially her personal experiences of pursuing a career in counseling psychology. The interactive Q&A session was noted as helpful, and several students expressed interest in further exploring the specializations discussed during the seminar.
